## SFG Campgrounds

# 360 - 410 - LATE MODEL NATIONALS

Dear Sprint Car Fan/Camper,

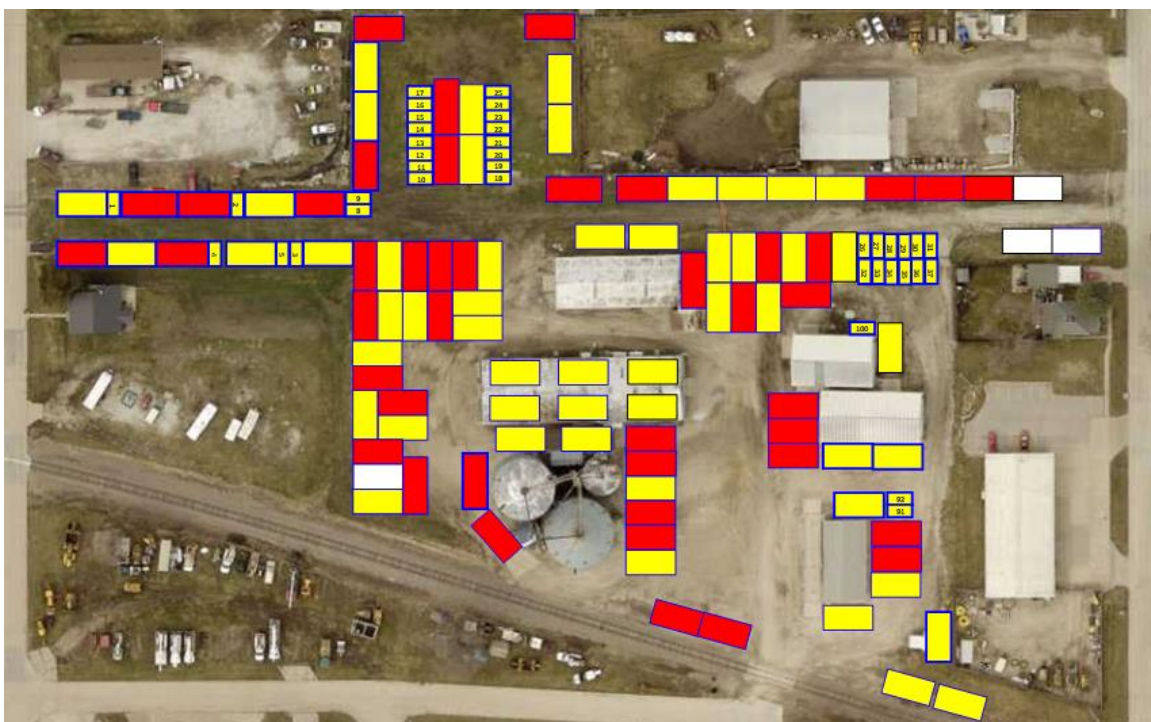

Hello from SFG Campgrounds!

For those who are looking to lock in a spot for next year please fill out the attached application and email it back to us at [Camping@SFGIowa.com](mailto:Camping@SFGIowa.com)! Otherwise you can mail it to 1650 Quebec St. Knoxville, IA 50138. **Please circle and label 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> preference for your camping location.** Please note that while we do our best to place you in your preferred spot – we also have to consider your camper size along with date of arrival. There is no guarantee on your exact spot. We fill West to East so the earlier you arrive the closer we can get you to the track!

Please take the time to **carefully read and review** our campground guidelines.

If you read the guidelines sheet carefully you most likely will bring everything you might need to get hooked up shortly after arrival. **Please remember**, even though you may have camped with us in the past, you **MUST** still check in with us at the time of arrival **PRIOR** to parking and when checking in please be sure to use the South driveway and check in at the office. This applies to group campers as well. **EVERYONE MUST CHECK IN!**

We look forward to seeing you back!

### Initial Below

\_\_\_ I understand that my tow vehicle and/or other vehicles will need to fit inside our camper boundary. Otherwise I'll need to purchase a parking pass that will be placed as close to your spot as possible.

\_\_\_ I understand that SFG Campgrounds is not a full service campground and I've been advised to bring at least 75' of power cord, 100' of water hose and a Y water connection to ensure you can reach available hookups.

\_\_\_ I have read ALL RULES and agree that everyone with us will abide by them.

6. We are not responsible for accidents, stolen items, or inclement weather.
7. All garbage must be inside a tied bag and put in one of the 3 dumpsters available.
