# **RAGBRAI 2024**

Dear RAGBRAI rider,

For those who are looking to lock in a spot please fill out the attached application.

Please take the time to **carefully read and review** our campground guidelines.

If you read the guidelines sheet carefully you most likely will bring everything you might need to get hooked up shortly after arrival. **Please remember**, even though you may have camped with us in the past, you **MUST** still check in with us at the time of arrival **PRIOR** to parking and when **checking in** please be sure to use the South driveway and check in at the office. This applies to group campers as well. **EVERYONE MUST CHECK IN!**

We look forward to seeing you!

### Initial Below

\_\_\_ I understand that my tow vehicle and/or other vehicles will need to fit inside our camper boundary. Otherwise I'll need to purchase a parking pass that will be placed as close to your spot as possible.

\_\_\_ I understand that SFG Campgrounds is not a full service campground and I've been advised to bring at least 75' of power cord, 100' of water hose and a Y water connection to ensure you can reach available hookups.

\_\_\_ I have read ALL RULES and agree that everyone with us will abide by them.
