

## SMITH FERTILIZER & GRAIN

**Location:** Pleasantville, Iowa

**Company:** Smith Fertilizer & Grain

**Industry Sector:** Production/Farming

**Industry Type:** Agriculture

**Career Type:** Outside Operations Assistant

**Job Type:** Full-Time

**Salary:** Hourly position with wage based on qualifications, skills and experience.

Smith Fertilizer & Grain has an opening for a full time outside operations assistant at their Pleasantville location. The right candidate must have a CDL and be able to work some weekends as needed.

### **Essential Duties and Requirements:**

- Able to lift 50-100 lbs & work outside in all types of conditions
- Maintain a valid Class A CDL commercial drivers license with proper endorsements
- Movement of commodities by grain trucks, tankers & railcar
- Grain handling & storage
- Climbing grain elevator/bins to perform maintenance/cleaning
- Operate Mix Plant (blend chemicals, fertilizers & de-icing products)
- Skilled at use of standard measurements and their conversions
- Assist in cleaning vehicles and location grounds
- Other duties may be assigned

### **Application Method:**

1. Please fill out the Agronomy/Shop/Trucking Application found on the Employment page online.
2. Email to [charless@sfgiowa.com](mailto:charless@sfgiowa.com) or mail completed application to:
